

ECSA CONFERENCE // 2018

SOLD OUT
workshop «Storytelling as a tool for communicating Citizen Science»

This preliminary programme will be updated regularly - the definitive programme will be published beginning of May

More details incl. co-authors, abstracts, etc. will be available in the online booklet on www.ecsa-conference.eu

update 24.4.2018

Sunday June 3rd, 2018: Public Citizen Science Festival

explore hands-on DIY activities and local projects, contribute to a [research project on biodiversity in a local nature reserve](#), and enjoy food, drinks and music at the main venue

When	What	Where	Who
10:00 – 18:00	Registration	Plainpalais	Participants Conference
11:00 – 17:00	LandSense Innovation Challenge : Finals	Assemblée	LandSense finalists
14:30 – 16:30	Story Café – Perspectives on CS from Ecuador, Ghana and Small Island Developing States (SIDS)	Grande Salle	Soledad Luna, Thomas Mboa, Khalissa Ikhlef
17:30 – 18:00	LandSense Innovation Challenge: Public Presentation and Ceremony	Grande Salle	LandSense finalists, all

ECSA CONFERENCE // 2018

Monday June 4th, 2018: Conference

When	What	Where	Who
08:30 – 18:00	Registration	Plainpalais	Participants Conference
09:30 – 10:00	Welcome	Grande Salle	Katrin Vohland, ECSA Vice Chair Thomas Zeltner, President Foundation Science et Cité ECSA Team
10:00 – 10:45	Keynote: “Citizen Science? Rethinking Science and Public Participation”	Grande Salle	Bruno Strasser, CH
10:45 – 11:00	Let’s Mainstream Citizen Science! Promoting Awareness, Acceptability and Sustainability through WeObserve	Grande Salle	Steffen Fritz, GE
11:00 – 12:00	Speed Networking	Grande Salle	all
12:00 – 14:00	Lunch break	Grande Salle	all
13:00 – 14:00	Poster session, market stands, pop up market stand, and open microphone (detailed list is available online)	Grande Salle	all
14:00 – 14:15	Welcome	Grande Salle	tba
14:15 – 15:00	Keynote and Discussion	Grande Salle	Shannon Dosemagen, US
15:15 – 16:30	5 parallel sessions	Where	
	Speed Talks "Education and Learning I" Julie Sheard, Natural History Museum of Denmark (DK): Get them while they’re young – Science with children Lucy Robinson et al., Natural History Museum (UK): LEARN CitSci: Exploring youth learning through participation in CS Mohamed Yakub, University of Minnesota (US): Integrating science research in high school education Tania Jenkins et al., University of Zurich (CH): The EvoKe project: Evolutionary Knowledge for Everyone	Grande Salle	No reservation needed

	<p>Silvia Winter, University of Natural Resources and Life Sciences Vienna (AT): CS in the classroom - empowering students for CS</p>	
	<p>Dialogue Session “Initiatives around the Globe” Wilhelm Bauhus et al., Innovation Office (AFO), Westfälische Wilhelms-Universität Münster (DE): CS as a commitment within the universities outreach strategy Dick Kasperowski et al., University of Gothenburg (SE): National CS? Alison Parker et al., Oak Ridge Institute for Science Education fellow hosted by US EPA (US): CS at US EPA Greg Newman, Colorado State University - Natural Resource Ecology Laboratory (US): Roles and challenges in CS Anne Browser et al., Woodrow Wilson International Center for Scholars (US): Co-designing the CS Global Partnership Daniel Mietchen, University of Virginia (US): Wikimedia projects and CS Rick Bonney, Cornell Lab of Ornithology (US): CS: Theory and Practice - Status, Plans, and Dreams</p>	<p>Assemblée</p> <p>Reservation needed</p>
	<p>Workshop "Time for a Definition - Quality Criteria in CS" Florian Heigl et al., University of Natural Resources and Life Sciences Vienna (AT)</p>	<p>Les Recyclables</p> <p>Reservation needed</p>
	<p>Digital Posters and Speed Talks “Tour d’Horizon I” Michelle Boonen et al., Imec-SMIT-VUB (BE): The role of participants for monitoring rainfall and urban floods Maite Pelacho et al., Ibercivis Foundation for Citizen Science, University of the Basque Country (UPV/EHU) (ES): Motivations In CS and the search of ‘The Common’. The case of Ibercivis Paweł Wyszomirski, Foundation DIY Fix Your City (PL): CS in support of innovation decision making process Cristina Luis et al., Museu Nacional de História Natural e da Ciência (MUHNAC) (PT): Portuguese scientific community perception of CS Hannah Grist, Scottish Association for Marine Science (UK): Scientific literacy: lessons from America Fredrik Brounéus, VA (Public & Science) (SE): The News Evaluator - a social innovation for digital source criticism</p>	<p>Auditorium</p> <p>No reservation needed</p>

ECSA
CONFERENCE
// 2018

	Caterina Bergami et al., LTER - Italy network, Institute of Marine Sciences (ISMAR-CNR) (IT): Cammini LTER: walking and cycling with citizens across Italian ecosystems		
	Workshop "Citizen Science Games Workshop" Pietro Michelucci et al., Human Computation Institute (US)	Seminar	Reservation needed
16:30 – 17:00	Coffee break		all
17:00 – 18:30	5 parallel sessions		
	Speed Talks "Bio, Air and Water" Benoît Fontaine, Muséum national d'Histoire naturelle Paris (FR): Vigie-Nature, a biodiversity monitoring scheme Juanita Schlaepfer-Miller, University of Zurich (CH): Where Seeds Fall - creating city-wide networks of plants and people Esra Per, Gazi University (TR): The rise of CS as an ornithological research tool in Turkey Eugenio Gervasini et al., European Commission - Joint Research Centre Directorate, Ispra (IT): CS for EU policy: the case of Invasive Alien Species Wim Clymans, Earthwatch Institute (UK): Balancing citizen engagement, common methodology and adaptation to local needs Joaquim Garrabou et al., Institut Mediterrani D'estudis Avançats (IMEDEA-CSIC) (ES): How to engage and empower marine citizen scientists?	Grande Salle	No reservation needed
	Dialogue Session "National and International Networks" Gisela Wachinger, Dialogik non-profit institute for communication and cooperation research (DE): How can scientists aid citizens to ensure their contributions matter in scientific research? Fermín Serrano Sanz, Fundación Ibercivis (ES): Spanish actions on CS at national level Daniel Dörler et al., University of Natural Resources and Life Sciences Vienna (AT): Österreich forscht: the Austrian CS Community platform David Ziegler, Museum für Naturkunde Berlin (MfN) (DE): Bürger schaffen Wissen	Assemblée	Reservation needed

ECSA
CONFERENCE
// 2018

	<p>Workshop "Motivations for participating in CS projects in multiple contexts around the world" Mariana Varese et al., Wildlife Conservation Society, Lima (PE)</p>	Les Recyclables	Reservation needed
	<p>Speed Talks "Reflection on Tools and Strategies" Christothea Herodotou, The Open University (UK): Empowering citizens to participate in scientific endeavours Friederike Klan et al., German Aerospace Center (DLR) (DE): Unleashing the Value of Citizen Contribution Elena Kinz, Open Science - Lebenswissenschaften im Dialog (AT): Engaging students in soil research by using visual-based social media Anne Land-Zandstra et al., Leiden University (NL): Clean Rivers: citizen scientists in a river waste monitoring project Karine Prince, French National Museum of Natural History (FR): Does participation in CS projects change behaviour in garden owners? Stefan Daume, Scitingly (SE): Social media mining and artificial intelligence to mobilize CS movements</p>	Auditorium	No reservation needed
	<p>Workshop "Sharing the Knowledge - Sharing the love" Toos van Noordwijk et al., Earthwatch (UK)</p>	Seminar	Reservation needed
19:00 – 23:00	Welcome note and dinner	Surprise!	Sami Kanaan, Representative of the City of Geneva All

ECSA
CONFERENCE
// 2018

Tuesday June 5 th , 2018: Conference			
When	What	Where	Who
08:00 – 15:00	Registration	Plainpalais	
08:30 – 08:45	Welcome	Grande Salle	Hosts - ECSA Team and Local Supporters
08:45 – 09:30	Keynote: "Science society continuum: From 'deficit model' to social demand on research - the reform of science in progress"	Grande Salle	Lionel Larqué, FR
09:45 – 11:00	5 parallel sessions		
	Speed Talks "Transformational Potential of Citizen Science" Fermin Serrano Sanz, Fundación Ibercivis (ES): Analysis of CS trends in scientific publications Isabelle Bonhoure et al., Universitat de Barcelona (ES): Social local impact of CS projects - myth or reality? Onno Giller, International Institute of Tropical Agriculture/Radboud University Nijmegen (UG): Coffee, cameras and climate change: through the farmers' eyes Lira Sagynbekova, Mountain Societies Research Institute, University of Central Asia (KG): The role of CS in empowering rural communities Alba L'Astorina, National Research Council of Italy (IT): CS an opportunity for scientists to rethink their role in society?	Grande Salle	No reservation needed
	Dialogue Session "Social and Scientific Innovation" Marisa Ponti et al., University of Gothenburg (SE): CS and Social Innovation Rosy Mondardini et al., ETH/UZH Citizen Science Center (CH): The SDG Citizen Science Toolkit; Help achieve the 17 Global Goals via Open Data and Crowdsourcing; A selection of examples of how students are already tackling the SDGs Sylvie Blangy et al., CEFE CNRS (FR): How to go beyond the collection of data in CS projects? Emma Harris et al., Max Delbrück Center for Molecular Medicine in the Helmholtz Association (MDC) (DE): Swipe right for Open Science: How to create the perfect match for CS?	Assemblée	Reservation needed

ECSA
CONFERENCE
// 2018

	<p>Workshop "Empowerment, inclusiveness & equity in community-based research and CS" Claudia Göbel et al., ECSA (DE)</p>	Les Recyclables	Reservation needed
	<p>Speed Talks "The Citizen Perspective" Marine Gabillet et al., IRSTEA (FR): Managing emotions in long-term CS projects Fernando Portela, Citizen Scientist (CH): Citizen Scientists' contributions to the RNA design problem Eduardo Alexandrino et al., University of Sao Paulo, Brazil (BR): Example of hesitation among CS: Is it a Neotropical issue? Diana Escobar et al., Barcelona City Council (ES): Barcelona CS Office: the public administration perspective Mike Dodd et al., Open University (UK): Building and maintaining iSpot's CS community</p>	Auditorium	No reservation needed
	<p>Workshop "Evaluating BioBlitzes: an overview of participant and organiser perspectives" Andrea Sforzi & Gaia Agnello, Maremma Natural History Museum & ECSA (IT/DE)</p>	Seminar	Reservation needed
11:00 – 11:30	Coffee break	Grande Salle	
11:30 – 13:00	5 parallel sessions		all
	<p>Speed Talks "Citizen Engagement" Stijn Brouwer et al., KWR Watercycle Research Institute (NL): Citizens in knowledge generation: the value of diversity Nina James, University of South Australia (AUS): Strangers, Stewards and Newcomers in CS Cathlyn Styliniski, University of Maryland Center for Environmental Science (US): Embedded Assessment of Skills in CS Kate Lewthwaite, Woodland Trust (UK): Engaging older citizen scientists in the digital era Karsten Elmoose Vad, The Natural History Museum of Denmark, University of Copenhagen (DK): What motivates families to do CS? Gaia Agnello, ECSA (DE): Motivations and perceived benefits predict citizen scientists' level of engagement</p>	Grande Salle	No reservation needed

	<p>Dialogue Session "Data, Quality, Open Science" Jaume Piera et al., Institute of Marine Sciences (ES): Simplifying CS methods for data collection Thomas Palfinger et al., Austrian Centre for Digital Humanities, Austrian Academy of Sciences (AT): Food cultures: co-creation and evaluation of a thesaurus as a cultural infrastructure Colin Van Reeth et al., Research Centre on Alpine Ecosystems - CREA Mont-Blanc (FR): Reliability of CS data: the example of Phenoclim Carolynne Hultquist, The Pennsylvania State University (US): Validation and Use of CS Environmental Data Caren Cooper, North Carolina State University & North Carolina Museum of Natural Sciences (US): Linking projects to cooperatively maximize engagement and learning Philipp J. Hummer, Spotteron (AT): Interactive social features in CS projects</p>	Assemblée	Reservation needed
	<p>Workshop "Translating research on participants into practice" Rachel Pateman et al., Stockholm Environment Institute (UK)</p>	Les Recyclables	Reservation needed
	<p>Talks "Observatories" Uta Wehn et al., IHE Delft Institute for Water Education (NL): Levering the social innovation potential of citizen observatories Bente Bye et al., BLB (NO): The Role of Citizen Observatories and Crowdsourcing Community in GEOSS Gitte Kragh et al., Earthwatch Institute Europe (UK): Engaging and empowering different types of participants in CS</p>	Auditorium	No reservation needed
	<p>Workshop "Building and nurturing infrastructure for change-making and innovation in Citizen Science" Cindy Regalado et al., University College London (UK)</p>	Seminar	Reservation needed
13:00 – 14:30	Lunch break		all
13:45 – 14:15	Lunch Activity: Walking Exercise: Participatory Modelling	Grande Salle	Gisela Wachinger, Dialogik non-profit (DE)

ECSA
CONFERENCE
// 2018

14:30 – 16:00	5 parallel sessions		all
	<p>Speed Talks "Tour d'Horizon II" Barbara Strobl, University of Zurich (CH): How to best communicate with citizen hydrologists? Cornelia Veja et al., The German Institute for International Educational Research (DE): Using Linked Open Data for Capacity-Building in CS Tina Phillips, Cornell University (US): A mixed-methods examination of motivations and barriers across six CS projects Maria Daskolia et al., National and Kapodistrian University of Athens (GR): CoCreST: digital stories about sustainability in the city Kyle Copas, GBIF Secretariat (DK): Open data in practice: A guide to (re-)licensing data from CS projects Sarah Staunton-Lamb, Earthwatch (UK): Global perspective through local action: CS teachers and students</p>	Grande Salle	No reservation needed
	<p>Dialogue Session "Education and Learning II" Birte Lembke Ibold, University of Zurich (CH): Integrating CS into doctoral education Laure Turcati, Sorbonne University (FR): Play to understand scientific methods Anne Dozières et al., Muséum national d'histoire naturelle de Paris (FR): Involving volunteers in biodiversity monitoring Josep Perelló et al., Universitat de Barcelona (ES): Do you want to co-design a CS experiment for social change? Michèle Kaennel Dobbertin et al., Federal Institute for Forest, Snow and Landscape Research WSL (CH): Who ate my caterpillars? John Harlin et al., Alpine Institute at the Leysin American School (CH): Training teachers to use CS with their students</p>	Assemblée	Reservation needed
	<p>Workshop "Storytelling as a tool for communicating Citizen Science" Katja Machill et al., Wissenschaft im Dialog (DE)</p>	Les Recyclables	Sold out!
	<p>Talks "Social Innovation" Tiberius Ignat et al., Scientific Knowledge Services (DE): Working Together: CS and Research Libraries</p>	Auditorium	No reservation needed

ECSA CONFERENCE // 2018

	Susanne Hecker et al., Helmholtz Centre for Environmental Research UFZ/German Centre for Integrative Biodiversity Research (iDiv) Halle-Jena- Leipzig (DE): Innovation in and with CS		
	Workshop “Advancing citizen science observational-data standards” Peter Brenton et al., Atlas of Living Australia, CSIRO (AUS)	Seminar	Reservation needed
16:15 – 16:30	Résumé and Farewell	Grande Salle	ECSA team and local supporters
16:30 – 17.30	Apéro	Grande Salle	all
17:00 – 17.30	Registration for General Assembly of the European Citizen Science Association (ECSA)	Grande Salle	ECSA members
17:40 – 20:45	ECSA General Assembly		Johannes Vogel, ECSA Chair
Evening	Different activities		all

Please not, session titles may have changed but not the content.

Posters, digital posters and market stands will be published latest end of April.
